Can I access eResources off campus?

All registered students, faculty, and staff members are offered off-campus access!! You must login using your GUST ID and Password when directed to the EZProxy (off campus) Login page.

MESSAGE FROM THE LIBRARY DIRECTOR

On behalf of the A. M. Al-Refai Library, I welcome the GUST Community and especially the new faculty, staff, and students, to the new academic year.

The Library continues to expand services, programs and other resources to meet the needs of our growing community and plays an integral role in facilitating access to information in both print and electronic formats.

I hope you will take the opportunity to visit the Library, meet our dedicated and competent staff, who are always happy to assist Library users. While we strive to make every encounter a pleasant and rewarding experience, we are always open to suggestions for improving our services further!

We look forward in helping you achieve your academic goals.

Sincerely,

Shobhita Kohli

SCIENCEDIRECT NEW INTERFACE

ScienceDirect Journals | Books

Search all fields | Author name | Journal or book title | Volume | Issue | Page | Advanced search

ScienceDirect
is a leading full-text scientific database offering journal articles and book chapters from nearly 2,500 journals and 26,000 books.

Browse publications by subject

Physical Sciences and Engineering Chemical Engineering Chemistry Computer Science Earth and Planetary Sciences Energy Engineering Materials Science Mathematics Physics and Astronomy	Life Sciences Agricultural and Biological Sciences Biochemistry, Genetics and Molecular Biology Environmental Science Immunology and Microbiology Neuroscience	Health Sciences Medicine and Dentistry Nursing and Health Professions Pharmacology, Toxicology and Pharmaceutical Science Veterinary Science and Veterinary Medicine	Social Sciences and Humanities Arts and Humanities Business, Management and Accounting Decision Sciences Economics, Econometrics and Finance Psychology Social Sciences
---	--	---	--

ScienceDirect has recently introduced its new interface with the following updates:

- Alerts page
- Recommended article export option with multiple download capabilities
- Search types have been reordered for easier selection.

WEB OF SCIENCE-NEW SUBSCRIPTION

The Library has recently subscribed to Thomson Reuter's [Web of Science](#). Web of Science is a premier research platform for information in sciences, social sciences, and arts & humanities.

“THE TRUE SIGN OF INTELLIGENCE IS NOT KNOWLEDGE BUT IMAGINATION.”

~ ALBERT EINSTEIN

SCANNERS IN THE LIBRARY

The Library recently installed three scanners in the Library to assist users. The scanners are connected to the following PCs: a) near the Circulation Desk b) in the women's area and c) in the men's area. Users can now scan necessary documents and save them as required.

LAB RESERVATION

Library Lab Reservation Form is now available in a digital format. Requests for reserving labs should be made online via:

<http://amrlibrary.gust.edu.kw/content/forms>

Please note that email and verbal requests for Lab reservations will no longer be acceptable.

We are happy to answer your queries, please contact us as below:

 - b) Descriptors
 - c) Headings
 - d) Boolean Operators

Go Green and Save the Environment

Answers to quiz on previous issue: 1.d, 2.e, 3.a, 4.c, 5.c

BOOK REVIEW

The Copyright Wars: Three Centuries of Trans-Atlantic Battle

Author: Peter Baldwin

Baldwin, a history professor at UCLA, takes on the history of copyright, with all its deep artistic and moral quandaries, in this incisive work that cuts through the warren of legal and legislative wrangling endemic to intellectual property law. Baldwin expertly and economically records the major beats of copyright history in the last 300 years in a surprisingly focused, readable narrative.

The Copyright Wars describes how the Continental approach triumphed, dramatically increasing the claims of rights holders. The book also tells the widely forgotten story of how America went from being a leading copyright opponent and pirate in the eighteenth and nineteenth centuries to become the world's intellectual property policeman in the late twentieth. As it became a net cultural exporter and its content industries saw their advantage in the Continental ideology of strong authors' rights, the United States reversed position on copyright, weakening its commitment to the ideal of universal enlightenment--a history that reveals that today's open-access advocates are heirs of a venerable American tradition.

Compelling and wide-ranging, *The Copyright Wars* is indispensable for understanding a crucial economic, cultural, and political conflict that has reignited in our own time.

INFORMATION LITERACY SERIES— Standards, Performance Indicators, and Outcomes

Standard Four Contd...

Outcomes Include:

- Incorporates principles of design and communication
- Communicates clearly and with a style that supports the purposes of the intended audience
- Integrates new and prior information, including quotations and paraphrasing, in a manner that supports the purposes of the product or performance
- Manipulates digital text, images, and data, as needed, transferring them from their original locations and formats to a new context

Standard Five

The information literate student understands many of the economic, legal, and social issues surrounding the use of information and accesses and uses information ethically and legally.

Performance Indicators:

1. The information literate student understands many of the ethical, legal and socio-economic issues surrounding information and information technology.

Outcomes Include:

- Identifies and discusses issues related to privacy and security in both the print and electronic environments
- Identifies and discusses issues related to free vs. fee-based access to information
- Identifies and discusses issues related to censorship and freedom of speech
- Demonstrates an understanding of intellectual property, copyright, and fair use of copyrighted material

To be contd...

Information Literacy Competency Standards for Higher Education

Approved by the Board of Directors of the Association of College and Research Libraries on January 18, 2000.
